EDUCATION

PhD in Physics and Astronomy August 2026 - Present
University of Kentucky | Lexington, Kentucky, USA

Undergraduate in Physics 2019 - 2024
St. Xavier's College (Tribhuvan University) | Kathmandu, Nepal

- Percentage: 74.5
- Key Coursework:
- Research Methodology, Quantum Mechanics, Classical Mechanics, Electricity and Magnetism, Electronics, Nuclear Physics and Solid State Physics, Statistical Physics, Computational Physics, Mathematical Physics, Thermodynamics, Optics, Econophysics, Space Science, Applied Statistics, Probability & Inference

HONORS & AWARDS

Max Steckler Fellowship September 3, 2026
University of Kentucky - The Graduate School

- Selected by the Director of Graduate Studies in the Department of Physics as a recipient of the Steckler Fellowship.

SKILLS

Programming: Python; R; C; JavaScript; HTML/CSS; LaTeX; SQL
Physics: Gravitational Wave Analysis; Quantum Mechanics; Computational Physics; Data Analysis; Teaching with clear concept and practical examples with interactivity through coding and visualization
Software: NumPy; Astropy; Pandas; Matplotlib; TensorFlow; Microsoft Powerpoint; Git; Linux
Languages: English; Nepali (Native)

EXPERIENCE

Graduate Teaching Assistant August 2026 - Present
TA Lab Instructor
University of Kentucky | Lexington, Kentucky, USA

- Instruct and mentor students in physics laboratories, helping them develop a strong foundation in experimental techniques and scientific inquiry.

Part-time Lecturer in Physics/Mathematics June 2025-Apr 2026
KU City Secondary School/College | Chabahil, Kathmandu, Nepal

- Taught physics to high school students (class 11 & 12)
- Taught business math to high school students (class 12)
- Taught secondary level students C.Math and Optional Math

Part-time Teacher in Mathematics 2025-
Miniland Secondary School | Chalkhu, Kathmandu, Nepal

- Teaching secondary level students C.Math

Tutor/Teacher 2024-2025
Space Academy | Narephant, Kathmandu, Nepal

- Taught BE civil Engineering Physics I, Math I, Math II, Math III
- Taught secondary level students Science and Math
- Taught high school students Physics and Math.

2024 Aspire Leaders Program May - August 2024 (9 weeks)

Aspire Institute Inc. | Online (Participant)

- Emerged with increased self confidence, sharpened crticial thinking skills, refined communication skills, and a desire to create a social impact among a global community

The President 2022 - 2024

The Renaissance Library (Public Library) | Bhiman, Sindhuli

- Established Mini library in three public places (Bhiman Hospital, Bhiman Police Area and Ward Municpality office) as 1 year plan but was extended later for another year.
- Conducted a cybersecurity awareness program in presence of field expertise as an event speaker, and class 9, 10 students of all school in Bhiman area as a target audience.

Teacher 2019-2020

Scholar's Academy School | Bhiman, Sindhuli

- Taught math and science to lower secondary and secondary level students.
